HOLLOW BRAID

THE PRACTICAL & AFFORDABLE SYTHETIC

This polypropylene rope features multi-strand construction. The fibers are treated with UV-stabilizers for enhanced sunlight durability. Put-up: spools.

The hollow core facilitates high knot retention, and makes the rope easy to splice.

STANDARD COLORS ARE YELLOW, WHITE & BLACK.
ALSO AVAILABLE IN: MAGENTA, ORANGE, TAN, RED, BLUE, GREEN,
OLIVE DRAB, BROWN, PURPLE, & CAMOUFLAGE.

Custom orders may be subject to certain minimums and/or lead times.
